

INCLUDE INDWELL IN YOUR WILL OR YOUR ESTATE PLAN

Your Will is much more than a legal document.

It is a powerful way for you to communicate what is most important to you. It sets out how you will care for your family and loved ones, and provides a meaningful opportunity for you to bless others.

Through a gift in your Will, or another planned gift to Indwell, you will continue to make a lasting difference in providing affordable housing, health and social supports, and community for people who are often marginalized.

You may also consider naming Indwell as a beneficiary of your life insurance policy, RRSP or RRIF, and avoid or reduce income tax and probate fees on your estate. And if you have securities that have appreciated in value, consider donating them now, or through your estate, and avoid the tax on the increase in their market value.
